Wahiawa Taco Bell located at 146 S. Kamehameha Highway celebrated its grand re-opening on Tuesday, October 27, 2020. The original Wahiawa location was the first Taco Bell to open in Hawaii in 1977. The original mission style building was replaced with an all new, contemporary Taco Bell featuring a fresh and fun interior décor equipped with the latest dining room technology. A digital menu board and two kiosk ordering stations enhance the overall experience for customers coming into the restaurant. Also, the new Wahiawa Taco Bell is the first Taco Bell in Hawaii to feature digital drive-thru menu boards. Customers are encouraged to use the Taco Bell Mobile Ordering App to facilitate the ordering process and to take advantage of the new Taco Bell rewards program which makes it easy to earn points that can be accumulated and redeemed for free food.
